Dear Parents and students,

As we approach the joyous occasion of Teachers' Day, we want to share a few important pointers to ensure a respectful and memorable celebration. The day will begin with a special assembly followed by regular classes. The School Captain along with the cabinet and the senior students will be responsible for the Teachers Day programme. The Parent Teacher Association will be organising a High-Tea at the end of the day.

Please note that cakes, eats and beverages are not permitted into the classroom. Parents are requested not to send in any food or flowers. However, students may bring thoughtful gifts such as handmade cards, plants, or books for their teachers.

Regular school timings will be followed on this day.

Let's come together to make Teachers' Day a special occasion, honoring our dedicated educators.

Your cooperation in following these guidelines is greatly appreciated.

Warm regards,

Sd/- Principal

Mrs. Anuradha Shivaram
