

CIR/019/22-23

Date: 10-12-2022

Dear Parents,

Greetings to you!

Please note that the Math week will be observed from December 12th to 20th, 2022 to remind us of the achievements of the great mathematician Srinivasa Ramanujan.

We will have the following activities for the students of all grades. Please encourage your wards to participate in these activities.

Students can represent their innovative ideas and project work to present the given topics in a creative way.

| Grade | Topics [Students can choose any one concept] |
|----------|--|
| I | <ul style="list-style-type: none">• Maths Relay race• Mental Maths (printout/ test book given) |
| II | <ul style="list-style-type: none">• Mental Maths• Numbers ice cones/Addition and subtraction sundae (3 digit with or without regrouping) |
| III | <ul style="list-style-type: none">• Mental Maths (printout given/ test book)• Fraction Pizza |
| IV | <ul style="list-style-type: none">• 2D rangoli and Maths trail |
| V | <ul style="list-style-type: none">• Book mark and Maths trail |
| VI | <ul style="list-style-type: none">• Angoli – Marking different angles using colour paper and Maths scavenger hunt. |
| VII | <ul style="list-style-type: none">• Fastest calculator of the class• Solving Rubik's Cube |
| VIII - X | <ul style="list-style-type: none">• Solving Mathematical Puzzles• Mathematical games: Sudoku |

Thanking you,

S/d Principal

Mrs.Anuradha Shivaram
