Dear Students and Parents,

Greetings to you!

As you are aware Manipal school is now a Senior Secondary School (Class 11 /12) affiliated to the Central Board of Secondary Education (CBSE). The results of the survey conducted last month have shown us that most students are inclined towards PCMB /PCMC. We want to carry this engagement further by having a career counselling session by Dr. Ananth Prabhu Gurpur, a cyber-security expert, professor of computer engineering at the Sahyadri College of Engineering and Management and also an author. He is the guest faculty at the Karnataka Police Academy and Karnataka Judicial Academy.

The session will focus on how students should take ownership for their education, grades and goals and will provide the strategies that will help students to make the right choice about their career pathways.

We cordially invite you to attend this Career guidance session along with your ward. You may send in your queries ahead of the session to educatorananth@gmail.com

Venue : Lecture Hall 1, Manipal College of Dental Sciences, Attavar, Mangalore.

Time : 3.00 pm to 4.30 pm

Date : Saturday, 10 September, 2022

Thank you,

Best regards,

S/d Principal, Manipal School
