Dear Students and Parents,

Greetings to you!

At Manipal School, we believe that career awareness is an essential first step in building students' understanding of the working world. Last year we launched the Middle School career awareness activities with questionnaires, aptitude surveys and classroom speakers.

Please note that we will have Career awareness session for the students of Grade 6 to 9 on **Saturday, July 16, 2022 from 5.30 pm to 6.30 pm on Zoom**. We will have three of our alumni to speak about their journey in school and how they chose their career pathways.

All students must confirm their participation with the class teacher.

Thank you,

Best regards,

For Manipal School
