Exciting Opportunity: Join the Fun2do SSP Program!

Dear Students and Parents,

We are thrilled to announce that our school is now offering the Fun2do SSP, an engaging and innovative learning experience designed to make education fun and interactive.

We had hosted a demo session at the school to showcase the unique features and benefits of this program. We invite you to watch the introduction video [<https://youtu.be/xXIYAlmkMpE>] to learn more about the Fun2do SSP and how it can enhance your child's learning journey.

To get started, please fill out the Google form [<https://forms.gle/XybsdhJSTHNbyV1i7>] with all the necessary details. Completing this form will generate your unique user code, granting you access to the Fun2do SSP platform and a world of fun-filled learning.

Only grade **7th & 8th** students get access to the program free of cost. Kindly note, only those interested in participating in the end of year competition (contest & tournament) and claiming their rewards can pay the participation fee of INR 1500 at the end of the year when we open the registrations 1-month before the competition.

Don't miss out on this wonderful opportunity to make learning more enjoyable and effective!

Thank you for your continued support.

Best regards,

For Manipal School

S/d Principal
