

CIR/001/2025-26

Date: 08-04-2025

Dear Parents,

We would like to inform you about the CBSE Science Challenge 2025-26, which aims to inspire students to explore science, the environment, and sustainability. The challenge is open to students of classes VIII to X. The theme of the CBSE Science Challenge 2025-26 is **Science, Environment and Sustainability**.

### **Details of the CBSE Science Challenge**

- The challenge will be conducted through **two rounds** – within school, and inter school.
- There is **No Fee** for students participating in either of the two rounds.
- Students of classes VIII to X in CBSE affiliated schools are eligible to participate in **ROUND ONE** (first stage). The school will organize the First Round of Science Challenge for the registered students on 21st April 2025. The school will identify 06 students (02 each from Classes VIII to X) on the basis of their performance on the assigned tasks for Round One.
- For **ROUND TWO** (second stage), school will nominate registered 6 students (best 02 students from each participating class). A computer-based Science Challenge would be conducted by the Board for the registered students and the date will be intimated later.
- The Science challenge paper will comprise a variety of stimulants followed by MCQs.
- The task for participating students would focus both on speed and accuracy.
- All the participants of Round Two will be issued an online participation certificate by the Board. Appreciation Certificate will be given to best performing students.

We encourage you to motivate your child to participate and showcase their skills in this engaging challenge. Kindly provide the names of interested students to the class teacher on 9th April 2025.

Thanks & Regards

**Sd/-**
