

Cir/013/18-19

Date : 16.08.2018

Dear parents,

Greetings to you!

In keeping with our efforts to tap the hidden talents of our children; we will not only be participating in most of the Interschool activities conducted by various schools; but go ahead and also host an Interschool activity in our School. Accordingly, it is with immense pride that I share with you that PEARSON Schools across the country will host "TiRanGAA" an interschool platform for children to exhibit the best of talent and skills in their respective age groups.

This year, we have chosen the **theme "Health and Fitness" - Mind, Body and Soul** with the objective to improve physical and mental health of our students so that they realize their potential, and work happily and productively. We know that **'Healthy kids learn better!'**

The School team for Tirangaa has been decided based on the various intra school competitions that have been conducted so far. Please note that our school will be hosting the Interschool competition TiRanGAA in the school campus on **August 25, 2018**. As we will have many schools participating in the competition and teachers will also be busy in attending to the various requirements of the competition, we have gone ahead and declared **August 25, 2018 a holiday for students**.

We look forward to your support and co-operation in this regard.

Best regards,

For Manipal School

Principal

Mrs. Anuradha Shivaram
