MANIPAL SCHOOL

A unit of Academy of General Education

ANNUAL REPORT AY 2022-23

SCHOOL MOTTO

“From Goodness Real Knowledge Develops”

SCHOOL VISION

To create future-ready global youth who will enhance society through their scholastic achievements, drive to excel, compassion and understanding of the complex and uncertain world around them.

SCHOOL MISSION

To develop students who will:

- Achieve the highest academic standards
- Grow into analytical and critical thinkers
- Become compassionate and sensitive leaders

Through:

- Safe and nurturing school environment that supports and encourages lifelong learning
- Teachers who are professionally proficient and passionate educators
- Resources and opportunities that enhance learning

SDP-ACADEMIC GOALS

ACADEMIC GOAL 1

By the end of the academic year 90% of the Prep II learners will be able to read grade level text independently.

ACADEMIC GOAL 2

By the end of this academic year 70% of the students from Grades 1 to 5 will be able to solve grade level Mental Math problems.

ACADEMIC GOAL 3

By the end of the academic year 2021-22, 70% of the learners will score above 80% in Math and Science. 60% of the learners will score above 80% in second language.

ACADEMIC GOAL 4

By the end of the academic year, 30% of the learners in Grade 10 will score above 90% and 50% of the students will score above 70% in the Board exams.

ENHANCING AND UPDATING CURRICULUM AND INSTRUCTION

Preprimary

- Core curriculum supported by well researched materials, innovative lesson plans, engaging activities , cross curricular learning, assessments and digital content.
- Teachers focus on learning by doing to attain an optimal perceptual and motor, cognitive and socio emotional learning .
- The classes are interactive and conversational.

Junior School

- Core curriculum supported by well researched materials, innovative lesson plans, engaging activities , cross curricular learning, assessments and digital content.
- Experiential learning in all subjects.
- The classes are interactive and student centric
Inter disciplinary approach
- Structured sports programme with trained and qualified instructors.
- Focused remedials

Middle School

- Core curriculum supported by well researched materials, innovative lesson plans, engaging activities , cross curricular learning, assessments and digital content.
- Integration of subjects with arts, Sports, Yoga and life skills.
- Career awareness program
- Focused remedials
- Structured sports programme with trained and qualified instructors.
- Experiential learning

High School

- Core curriculum provides knowledge to students required by the CBSE Board.
- Art Integrated, Experiential learning and lab activities to enhance subject competency.
- Development of classroom practices through observation by coordinator and peer observation.
- Mentor mentee program with active involvement of parents
- Board Prep Program

Out of the 91 students who appeared for the board exams this year, 63 have secured a distinction and 21 students have secured a high first class.

The management, principal and staff congratulated the students for their excellent performance and thanked the parents for their unstinted support.

Manipal School which is unit of the Academy of General Education, seeks to provide excellent education to all its students. Our distinctive aim is to provide World Class Education to the learners at the elementary and secondary school levels. Hence we are on a constant endeavour to create a high quality learning environment that is innovative, challenging and enterprising for students. We also ensure that the literary and cultural facilities are blended into every student's academic life, while a strong emphasis is laid on discipline.

Manipal School was established in 2010, is a co-educational school, it offers classes from nursery to grade 10. Manipal School providing a blend of academic, sporting, cultural, and artistic activities in a high-quality environment. The school itself, located amidst residential clusters, comprises of a spacious building with modern facilities.

These include state-of-the-art classrooms, laboratory and library, an audio-visual room and art studio, and a playground for sports and recreation - all of which contribute to providing our students with world class education having lifelong benefits.

Manipal School is affiliated to CBSE with English as the medium of instruction.

Value added programmes such as Career Guidance, Community outreach activities, STEM Lab, Experiential learning and many more student engagement activities are integrated into the curriculum to enhance students learning and enable them to acquire

Mangaluru: Manipal School ornaizes uniques career guidance programme

Mon, Oct 10 2022 05:10:27 PM

Media Release

Mangaluru, Oct 10: "Job Shadowing" a unique programme was initiated this year as part of the Career Guidance Programme at Manipal school for the students of Grade X. This programme provides students with an up-close look at a particular occupation, company, industry and career path. It offers students an opportunity to spend a day in their chosen work environment and gain a much deeper insight into what a job involves rather than reading job descriptions or asking people questions.

About 35 students were allotted work places in small groups of three based on their area of interest. They got an opportunity to observe work in the following organizations:

- KMC Mangaluru
- SDM Eye Hospital Control R
- Sulthan Gold and Diamond, Kankanady
- Omi Power Terminus
- White Room Deli
- Aaradhya Silks
- Namma TV
- Nithin J Shetty and Co.
- JMFC II Court

Mangaluru: 'DHEERA' awareness programme held at Manipal School

Sat, Oct 01 2022 11:17:50 PM

Media Release

Mangaluru, Oct 1: Violence against women is perhaps the most disgraceful human rights violation and probably the most prevalent one. To stop violence against women is a responsibility of everyone. To further educate their students on this very delicate matter, Manipal school, Attavar organized an awareness session on 'DHEERA - No to Violence against Women', for the students of Grade X on September 24.

DHEERA is a campaign initiated by Dr Shantha Kumari, president - FOGSI - The Federation of Obstetrics & Gynecological Societies of India, to stop violence against women (VAW). This session was presented by Rathna Pinto and Diana Pinto, trained facilitators and volunteers at SUSHEG Lifeline (an organization that helps people in distress).

Mangaluru: Manipal School conducts skill education programme

Wed, Dec 28 2022 07:10:32 PM

Media Release
Mangaluru, Dec 28: The National Education Policy (NEP) 2020 has given special emphasis on vocational education through integration and mainstreaming of vocational education with general education which will help students in acquiring various skills to meet the needs of the industries and to improve the quality of education.

Manipal School took an initiative by conducting a skill education programme for the academic year 2022-23 in four modules from December 19 to 22. The classes were held in four vocational subjects- artificial intelligence, financial literacy, travel & tourism and handicrafts in the school campus for grades 6 to 8. The 12-hour program was spread over four days where students chose the skill subject of their choice through Google form.
