Examinations will begin from the **September 07, 2018** and will go on upto the **September 17, 2018**. **The school will work half a day on exam days. Students will go home at 12.30 to give them adequate time to work at home as well.** I have herewith shared a few tips that you need to keep in mind while dealing with your ward at this juncture.

- Please monitor the time spent online / watching television.
- Provide proper study environment at home by avoiding family outings/ get-together/ visits.
- Help him/her set realistic goals. Provide guidance in the subject he /she needs your help in.
- Coordinate with the subject teachers and mentors of the school in case you need help for your child.
- Please ensure that the child has a well-balanced diet and regular exercise.

We look forward to your support and co-operation.
