FROM THE PRINCIPAL'S DESK

Dear Parents,
Greetings to you!

The students and teachers have been busy with the Annual Day. Our days were filled with endless practice sessions of dance, drama, mime and shadow play. The teachers were busy training, coordinating for costumes, studio recordings and props without letting any of this affect their classroom teaching. I salute the tireless efforts of the teachers, the dance teacher in particular, Mayuri Attavar. She conceptualised and choreographed the entire show Water-the elixir of life. The students matched up the efforts of their teachers. They practised relentlessly, took feedback from me, worked on it and did their best. Kudos to the Manipal School team for a brilliant Annual Day performance.
